

1 Dead, Many Injured In Aba Road Accident

BY KALU EZIYI, Umuahia

Contrary to the severity of the scene of the road accident which involved many vehicles and tricycles in Aba, rescue operations revealed that one person died while many others sustained serious injuries.

The accident occurred, yesterday, when an articulated truck, carrying a 40-ft container lost control of its brake and brushed aside many vehicles and tricycles along the road.

The truck was approaching Waterside Bridge across Aba River along Aba Ikot Ikpene Road and then plunged into Ahia Udele beside the river after brushing the vehicles and tricycles.

The operation involved army personnel of 144 Battalion, Ukwu and other security agencies who immediately rushed the injured to nearby health facilities for medical attention.

Narrating their experience in the accident, some of the injured Mr Sunday Ikechukwu and Mr Miracle Okechukwu gave God the glory for saving them adding that they survived it by the whiskers.
