The NYSC's director for press and public relations, Mr Eddy Megwa, gave the clarification in a statement he issued yesterday in Abuja.

He was reacting to reports that Obaje was killed by bandits on his way from Kaduna to Katsina for the monthly biometric clearance.

According to Megwa, Obaje who was serving at Government Girls' College, Katsina, was on transit from Kaduna to Katsina on the said day and was involved in a road accident at Gayaza in Kankia local government area of Katsina State, alongside other passengers.

"Unfortunately, two of the passengers, including the corps member, lost their lives in the accident.
