Six persons have been kidnapped and two others killed in the last three weeks in Yagba East local government area of Kogi State.

The member representing Yagba East in the Kogi State House of Assembly, Hon Emmanuel Obaro disclosed this yesterday when he moved a motion of urgent public importance on the floor of the House in Lokoja.

Obaro who could not ascertain whether the kidnapped victims have regained their freedom stated that, the issue of kidnapping and armed robbery is gradually spreading in his constituency which is creating a ripple effect and uncertainty across the various communities in Yagba East local government.

His words, "I am aware that in the last three weeks, six different cases of attacks, leading to loss of lives, that are likened to banditry are reported. Other cases of attacks in the form of kidnapping are on the rise. These attacks are affecting businesses already and dissipating the resources of the vulnerable poor victims.
