"Allah sarki Abusufyan Idrees you had the opportunity to leave Kuriga village at once, but you chose to stay with your people. When he was alive he was the village GSS principal, he used to teach the village youth football. He got the opportunity to leave the town but even after tense attacks of armed bandit in his community he chose to stay and he lived all his life trying his best to make the world a better place for the youths and to put his little community on the map, now he paid the price with his life, armed bandit invade his house and shoot him dead and kidnapped his wife. RIP Abusufyan."
