Gunmen on Friday night shot dead an employee of the Federal Inland Revenue Service (FIRS) identified as Khalid Bichi in Maitama, Abuja.

It was gathered that Bichi was attacked just before 9pm when he went out to get some food. The gunmen reportedly shot him several times before fleeing the scene.

He was rushed to the Maitama General Hospital where he was pronounced dead.

Bichi was an active social media user, known by the username @Khalid Bichi, and had connections with influential politicians.

He was laid to rest yesterday at about 1:30 pm after a funeral prayer at the Abuja National Mosque.
