According to the chief magistrate of the court, Justice Umar Abubakar, who delivered the judgement, the court was convinced beyond reasonable doubt that the accused person committed the offence based on the evidence brought by the prosecutor.

Justice Abubakar added that " You Farida Abubakar, who was accused of killing your former husband, Muhammed Attahiru Ibrahim Zagga, has been sentenced to death by hanging on the neck until you are dead by section 191(b) of penal code law of Kebbi State."
