### Flood Kills 11, Ravages 529 Communities In Niger

BY ABU NMODU, Minna

.....  
The Niger State Emergency Management Agency NSEMA has said 11 people have been killed by flood in the state with 529 communities affected.

Director general of NSEMA, Abdullahi Baba Arah, disclosed this yesterday while giving an update on the various flood disasters in the state.

He said, "Sadly, we have lost 11 people to the flood, five in Mokwa, two each in Shiroro and Munya and one each in Katcha and Rijau local government areas. It is pertinent to report that as a result of this year's flood, 529 communities in 19 out of the 25 local government areas in the state have been affected.
