### Fire Service Recovers Unidentified Corpse From Kano Well

BY LONGTONG YAKUBU, Kano

The Kano State Fire Service has recovered the unidentified corpse of a 25-year-old man from a well at Kadama Bakin Titi in Kumbotso local government area of the state.

The service spokesperson, Saminu Yusif, said that at about 16:15 hrs on Saturday, the department's central control room received a call for emergency assistance from the DPO Kwalli Police Division, who informed them of sighting a human body at the said location of an uncompleted house.

According to him, the servicemen, under the leadership of Alhaji Hassan Muhammad arrived at the scene at around 16:40hrs and, on arrival, noticed dried blood around the well. He noted that, after the body was recovered, members of the immediate community could not identify the victim.
