Police Officer Kills Wife, Self In Ekiti Over Infi- delity

BY ALO ABIOLA, Ado-Ekiti
.....

A yet-to-be correctly identified policeman has reportedly killed his wife and taken his own life following an unresolved disagreement in Ado Ekiti, the capital of Ekiti state.

It was gathered that the incident happened yesterday in the Ita-Eku area, along the town's Igirigiri road.

An impeccable source close to the area said the man, known as Caleb, has been having a running misunderstanding with his wife, simply known as Tate, who accused him of engaging in infidelity and extramarital affairs.

The report has it that the woman suddenly attacked the man by cutting off his manhood.

The source added that the man, who is an Assistant Superintendent of Police (ASP), swiftly reacted by attacking the woman with a machet.

He was said to have smashed the woman's head, face and some other parts of her body with the cutlass.
