

Police Arrest 5 Over Killing Of 4 Edo Farmers

BY PATRICK OCHOGA, Benin
City

Edo State Police Command
has arrested five suspects
allegedly involved in the
killing of four farmers in
two communities in the state.

① Two persons were killed
in Eware Community
in Etsako West local
government area on
Thursday by suspected
② Fulani herdsmen while two
others were earlier killed in
Okpekpe community of
Etsako East on Monday.

Police spokesman, SP
Moses Yamu, said the
command arrested the five
suspects in connection to
the two incidents in Eware
and Okpekpe, adding that
investigations were ongoing
and that the command would
soon apprehend others
that are connected to the
Ovia South West killings a
fortnight ago.
