According to credible military sources, the failed ambush occurred on Wednesday when the troops were escorting humanitarian trucks on Gubio-Damasak Road.

The terrorists, according to the sources, detonated two IEDs, followed by a high volume of fire.

However, the troops swiftly took position and suppressed the insurgents with overwhelming firepower, eliminating 13 of them instantly, while others fled.

The troops further engaged the terrorists in a pursuit, exploited the area and recovered 8 AK-47 rifles, 10 AK-47 rifle magazines and a large cache of 7.62 mm ammunition.

Other items recovered included a camel bag and several rolls of detonating cord wires for making IEDs and several primed IEDs.
