One of the surviving passengers, Ibrahim Salihu, told NAN that the accident occurred when their driver was allegedly overtaking a moving trailer.

He alleged that the trailer, which tried to dodge a pot-hole, ran into them and brushed their bus.

The Area Commander, Bida Police Command, ACP Ayo Olatunji, confirmed the death of the three passengers in the accident.

He advised drivers to make sure that their front was always clear before overtaking.

“Drivers should be patient and avoid overtaking, if there is a pot hole ahead,” he said.(NAN)
