Kano State Police Command has arrested a 20- year-old man, Auwalu Muhammad, over the alleged murder of a lady in Sabon Gari.

The police said they are yet to establish the identity and other relevant details of the victim who was allegedly murdered at 7, Middle Road, Sabon Gari, Kano.

A statement yesterday, signed by the Public Relations Officer, Magaji Musa Majiya, said the police, acting on a distress call, caught the suspect on the scene of the incident.

Majiya said the police recovered a 'blood- stained knife' from the suspect as an exhibit, adding that the accused confessed to the crime during preliminary investigation.

The police also said they have arrested robbers that specialise in dispossessing people of their cars on the Abuja–Kaduna–Kano Highway and Abuja–Lokoja-Kaduna Highway.
