

Gunmen kill two JTF soldiers in Warri

From Shola O'Neil,
Warri

YOUTHFUL-looking armed bandits on Wednesday evening opened fire on three soldiers of the Joint Task Force (JTF), *Operation Restore Hope*, killing two instantly while the third is lying critically wounded in hospital.

Although the mission of the gun men could not be ascertained, it was gathered that they took away the service weapons of the fallen soldiers.

Similarly, it was not unclear if the killing of the security operatives was connected with the rising wave of insecurity in the Niger Delta region or if it was an isolated case

Our correspondent gathered that the incident occurred around the Delta Steel Company (DSC) Steel Town entrance on Orhumworhun Road of Aladja, Udu Local Government Area, Delta State.

The soldiers were on guard duty when they clashed with the armed gang who reportedly
