

# Navy kills two in Rivers

From Clarice Azuatalam,

IN spite of the fact that the first leg of the general election are barely hours away, the tension in the riverine areas of Rivers State has not subsided as naval personnel engaged an unnamed group of militants in a gun duel.

At the end of the exchange of gunfire that took place at Cawthorne Channel, Akuku Toru Local Government Area on Wednesday night, the Navy succeeded in gunning down two persons.
