

Truck kills commercial motorcyclist in Asaba

A MIDDLE-AGED commercial motorcyclist was yesterday killed by a truck on Nnebisi road, Asaba, Delta State.

A witness said the motorcyclist was crushed when he was about to pick a passenger.

The Delta Police Public

Relations Officer, Mr Banawi Ishaku, confirmed the accident.

He said the quick intervention of policemen prevented the two occupants of the truck from being lynched by a mob.

Ishaku said the command had deployed policemen to strategic areas in Asaba to avert possible breakdown of law and order as a result of the accident.

He said the two occupants of the truck had been arrested, while the body of the victim had been deposited in a mortuary.
