sins.

She was said to have left her house early in the morning at about 5:30 for morning devotions, at a nearby church, but never returned.

The search for her began when she failed to return to her house hours after the service was over.

The search continued till about 9pm when one of the members of the search party spotted her scarf at

the road side.

The search team intensified their efforts and at about 10:30pm, the lifeless body of the woman was found inside the bush covered with ants and blood stains. Her head was battered and there were deep wounds at her neck and backside.

Some suspects have been arrested and they are at the State Criminal Investigation Department (SCID) Owerri, pending the conclusion of investigations by the police.

The remains of the deceased been deposited at a
