

Truck crushes nine year-old girl

A TRUCK yesterday crushed a nine-year-old girl, Fatima Ahmed in Katsina town.

Fatima's mother who was with her, however, escaped unhurt.

An eyewitness said the accident occurred in the early hours of the day on Yahaya Madaki Way when the driver of the truck, Malam Sani, lost control due to a break failure.

It was gathered that the driver, who attempted to run away, was caught by on-lookers who later handed him over to the police.
