# **15 killed in Abia**

**From Nwanosike Onu,  
Awka**

**FIFTEEN** person were feared dead yesterday in Umuolihe Umuoba in Isiala Nwa- South Local Government Area of Abia State.

Five others are said to be in coma.

The incident occurred during a family deliverance from cultic and demonic powers.

To avoid an outbreak of epidemic the government has ordered that the area be fumigated.

The local government chairman Tony Agbazuere, has deposited money for the treatment of those in coma.
