

Wife beats husband to death in Ibadan

From Bisi Oladele, Ibadan

A WOMAN was yesterday alleged to have killed her husband in Ibadan, the Oyo State capital, during a midnight scuffle.

Mr. Samson Salako, 50, and his wife Folake, 45, who reside in Alakia, Ibadan, were said to have had a scuffle the previous night. Hours after, Salako slumped and died.

Neighbours, who endured the hours of brawl between the couple, reported the case at the police station when the day broke.

Mrs Salako has since been arrested by the police.

She was said to have denied killing her husband, stressing that he was fond of beating her.

Police boss Baba Adisa Bolanta said the wife was assisting the police in their investigation.

He said the brawl may have triggered other health issues which the late Salako might have had because he was not injured.
