

Five pupils dead in Delta as tank collapses on classroom

FIVE pupils of Education Model Primary School, Agbor, Ika South Local Government Area of Delta State, were crushed to death yesterday when an overhead water tank fell on their classroom.

Fifteen others were injured and are at the Inten-

From Okungbowa Alwerie, Asaba
sive Care Unit of the Agbor General Hospital.
Sources said the incident occurred while the pupils were receiving lessons.

It was gathered that the overhead tank is situated beside the classroom.

At the scene, the classroom was littered with school bags, shoes, and exercise books.

At the Agbor General Hospital, many parents were wailing and searching for their children.

Police spokesman Charles Muka confirmed the incident.
