Secondary school pupil, Usman Isa, was killed on Tuesday in Katsina State, during the Eid-il-Kabir celebrations.

A source said the victim was watching the traditional horse riding display, when some miscreants (Kauraye) attacked him.

They said the hoodlums stabbed him several times and fled.

It was gathered that the victim died on his way to the hospital.

The deceased's elder brother said his brother was a victim of the rising insecurity caused by the resurgence of Kauraye in Katsina.

Police Spokesman Shehu Mohammed, who confirmed the incident, assured that the perpetrators of the act would be brought to book.
