I advise that sentiments should be put aside by the security operatives in order to achieve meaningful peace in the troubled area of Jos.

Buhari is an epitome of strong,honest and patriotic personality extremely required to bring in a strong institution for the development of nigeria.

He is the poorest among people that have held political appointment in nigeria.Yet he is the richest in terms of honesty and discipline.

General Muhammadu Buhari is an incorruptible leader.He is the messiah nigeria needs right now.

Lets come together and vote for stability.

Lets come together to entrench peace in nigeria.

Lets come together and work for a new nigerian devoid of the stains of IBBs,OBJs,OGD,Aninis,thief Bode Geoge,noisy Babangida Aliyu,David marks,mass murderous Jonah Gyang,Nyakos,Ohakim,sylva,shameless Shema,lousy

Ribadu,bamanga tukur,lousy jerry gana,souless solomon lar.

Lets come together and stand by buhari,bakare,pat utomi and other great minds that have the interest of nigerians at heart.

Lets vote Buhari he is the man for the job

I dont know who wrote the comment above,'truth is truth'. I totally disagree with him/her. where is Buhari's honesty? When he headed Petroleum Trust Fund, he built roads , water projects etc in the Islamic areas of the North. In the south the only presence of PTF noticable where sales point for PTF drugs. Before then when he was head of state back-dated decrees to jail certain individuals. He selectively jailed politicians from the south and those from the north that supported leaders like Zik and Awo from the south with the ridiculous jail terms.Buhari is one presidential candidate whose train draw blood wherever it goes. No! we cannot reward such a man with the presidency of Nigeria. The commentator above is full of insults for other politicians, thats the hallmark of Buharism. We do not need a Taliban as our president.

@truth is truth,I will never vote for a fanatic like Buhari who thinks he can purge himself of his fanaticism by picking a Pastor as his running mate.I also will never vote for a person who seems to have a stench of violence and blood shed trailing him wherever he goes to.We in Jos already know that it is too close a coincidence for a bomb to explode a day before Buhari's arrival for his campaign.Buhari should be careful.he seemsto becoming a great threat to National security.

Ken Eze, I am happy you said Buhari built roads, provided water etc in sections of the country, but did not embezzle the funds given to him.

But all your southern presidents have not built nothing in the South. Have you forgotten that the N300 billion budgetted for roads during the OBJ regime was stolen by the Southerners who were in charge.

What about the \$16 billion for IPP projects, most of which are located in the South. The money was also stolen by the Southerners who are in charge.

If they had constructed the roads in the south, and the power projects at least we would have been seeing developments in the north and south.

So, I prefer Buhari to all the rogues from the south who are claiming to be leaders.

I think Ken Eze needs 2 go back 2 school bcos he is not educated enough. It's very unwise 2 call a moslem as taliban. Lastly, Buhari is d right candidate 2 vote like it or not.
