Two members of a family of seven were killed in a fire in Lagos last weekend.

The incident occurred about midnight on Friday at No. 13, Esien Street, Satellite, Town, Ojo.

Sources said fuel from a leaking container flowed to a mosquito coil and sparked off the fire.

Ameri (10) and Kojo (17) were burnt beyond recognition. Other members of the family are in the hospital. The bodies were deposited at the mortuary by policemen.
