

Gunmen kill Lagos car dealer

UNKNOWN gunmen yesterday killed a popular car dealer, Alhaji Jabita Fafiu, at his home in Ikeja, Lagos.

It was gathered that the 48-year-old was stabbed several times by the assailants. He died at a private hospital where he was rushed to by his family.

Jabita reportedly bled to death because the hospital de-

By Jude Isiguzo

manded a down payment of N2 million.

According to sources, five masked assailants stormed the deceased's home at 3am.

They reportedly entered the building after tying the guard and cutting the iron bar protector of the main entrance leading to the sitting room.
