Father, son killed in Jos attack

Posted by: Yusufu Aminu Idegü, Jos in News 13 hours ago

A man and his son have been killed in Gyel village, Bukuru, in Jos South Local Government Area of Plateau State.

His wife escaped narrowly when gunmen attacked the family in their sleep on Tuesday night.

The Commissioner for Information and Communication, Abraham Yiljap, spoke on the attack when he addressed reporters in his office yesterday in Jos, the state capital.

He said: "At the moment, Plateau residents are at peace with one another, but some criminals are hiding under the cover of darkness to steal and give the impression that crises have resumed in the state."

The commissioner advised the residents not to panic on some criminal activities in parts of the state.

He assured that the government was working with security agencies to end criminality.

Yiljap said seven suspects had been arrested in connection with recent criminal activities in the state.
