Four die in Ebonyi accident

From Ogochukwu Anioke,
Abakaliki

FOUR persons died in an
accident involving a
Mercedes Benz truck and a
green Mazda Infinity at the
Amudo Onueke axis of the
Abakaliki-Afikpo
Expressway.

The Sector Commander
of the Federal Road Safety
Corps (FRSC) in Ebonyi
State, Jide Fehintola,
confirmed the incident
yesterday in Abakaliki, the
state capital.

Fehintola said there
was a head-on collision
when the tyre of the
Mazda Infinity bursted. He
attributed the crash to
over speeding and reck-
lessness.

"Four people -three
men and one woman-died
on the spot. Another
person was injured. The
bodies have been taken to
the mortuary.

"The crash would have
been avoided if the drivers
were not over speeding.
Yes, the tyre bursted but if
he was not over-speeding,
he would have been able
to control the car."
