Posted by: [Edogbo Mandela](#) in [Campus Life](#) 11 hours ago

Students of Kogi State University (KSU) are mourning Zainab Muhammed, a 300-Level student of Banking and Finance, who died in a fire caused by electric heater in her family house in Lokoja.

The incident occurred in the midnight.

Her friend, Maha Deborah, described her as "reserved". Her classmates told CAMPUSLIFE that the late Debora was quiet and intelligent and never had problems with anyone.

"We loved her so much. Zainab was such a wonderful person. She will be missed by every student," Omolara Nelson said. He urged students to always pray against premature death, adding that her demise was unfortunate.
