

## 2 Woman strangled to death

**C**HIEFS and elders at Obite 3 community in Etche Local Government Area of Rivers State have vowed to find the killers of a woman, Chikodi Nwankwoala, who was strangled to death at night.

From Precious Dikewoha,  
Port Harcourt

The elders, during their meeting yesterday, set aside N500,000 to consult the oracle and other deities to assist them in finding the killers.

joined members to remain calm, promising that the party would get to the root of the matter.

PDP spokesman Osom Macbere dismissed the allegation by the APC as unfounded and an attempt to throw the state into crisis.

He said: "No PDP member will attack APC secretariat. The party should handle its security problems and settle factional crises."
