Four factory workers die in Kano

FOUR workers of Kano Tans Leather Factory at Challawa Industrial Area of Kano drowned yesterday while attempting to evacuate industrial waste in its sewage treatment plant.

The incident, which occurred at 9.15am, led to a protest by the workers.

From Kolade Adeyemi, Kano

Sources said the protesting hurled missiles at the management staff, causing pandemonium around the area.

It was gathered that one of workers was about to start the evacuation process

when he slipped off the ladder and fell into the 30-feet sewage pit.

The Chief Security Officer, who simply gave his name as Umar, said the other three wanted to rescue their colleague.

Police spokesman Musa Magaji Majiya confirmed

the incident.

They were certified dead by a doctor at the Murtala Muhammed Hospital, Kano.

Majiya gave the names of the deceased as Saleh Abdullahi (35), Ibrahim Isa (30), Dahiru of Digga area and Ado Mohammad (33).
