Three die in Ogun road crash

THREE persons died yesterday in an accident on the Papa-Ilaro road in Ogun State.

Three others were injured.

Ogun Unit Commander of the Federal Road Safety Commission (FRSC) Fatai Bakare told the News Agency of Nigeria (NAN) in Sango-Ota that the accident occurred around 5:45am.

It involved an articulated vehicle marked XB 641 BBR, belonging to the Dangote Group, and a Volkswagen bus.

Bakare said the occupants of the bus were family members and friends heading to Lagos from Ilaro.

He said the truck driver lost control of the wheels and ran into the bus, adding: "The bodies of the victims have been deposited at the morgue of the General Hospital in Ifo and the injured persons are receiving treatment at the hospital."
