Truck kills two pupils

From Adesoji Adeniyi, Osogbo

TWO pupils of a private primary school in Ikirun, Osun State, were killed yesterday by a truck.

It was learnt that the victims are siblings. They were returning from school when the incident occurred.

Ikirun Unit Commandant of the Federal Roads Safety Corps (FRSC) Mr. Gabriel Esan said the tank the truck was conveying fell on the pupils, who were waiting for their school bus.

Esan said one of them died on the spot and the other in the hospital.

The truck has been impounded.

Esan warned drivers against speeding and over loading.
