Posted by: Abdulgafar Alabelewe in News ⌚ 11 hours ago

Residents of Makarfi road in Rigasa, a suburb of Kaduna metropolis, were last night thrown into confusion when suspected gunmen shot dead a policeman.

The Nation gathered that the incident, which occurred few minutes after 8 pm, sent residents scampering for safety when they heard the gunshots.

According to sources in the area, the policeman was shot by the gunmen who trailed him to his house.

A source said: "Nobody knows who they were or where they came from. Only gunshots were heard and when we checked, we saw the policeman in a pool of his own blood."

Police spokesman Aminu Lawan confirmed the incident.
