## 'Zone APC's ticket to Kwara Central'

From Adekunle Jimoh, Ilorin

**A**GROUP in the All Progressives Congress (APC), the Coalition of Kwara Youths (CKY), has urged the party to zone its 2015 governorship ticket to Kwara Central Senatorial District.

Speaking with reporters yesterday, CKY Chairman Sunday Okanlawon, flanked by the Secretary, Kola Ibrahim, and Women Leader Hadiza Umar, said: "The need for the party's victory in the 2015 general elections spurred our demand, as the party stands a better chance if the candidate emerges from the central district.

"In the spirit of continuity and consolidation, especially on the good foundation set by our leader, Senator Bukola Saraki, there is the need to return the governorship to the Central Zone.

"This zone represents over 55 per cent of the state's population. We strongly believe that loyalty, commitment and service delivery that would impact positively on the people should be the priority of our leaders as recorded in education, agriculture, environment, among other sectors, during our leader's tenure as the governor.
