## Suspected vandal electrocuted

**A** MAN, who attempted to vandalise a transformer belonging to the Power Holding Company of Nigeria (PHCN), has been electrocuted.

He was operating when electricity was suddenly restored.

The incident occurred near Lonlo bus stop, along Iju - Ishaga road.

Policemen were on the scene with PHCN officials, who confirmed that the deceased was about removing something from the transformer when he was electrocuted.

hand) cars; 1,258 cartons of frozen poultry products; 10 motorcycles; 25 bags of second hand clothings; nine bags of Indian hemp and 1,480 live cartridges of live ammunition concealed in 15 bags of rice among others."
