Two arrested for 'hacking' woman to death

👤 Posted by: Bisi Oladele 📁 in News 🕒 14 hours ago

Two men have been arrested in Ibadan, the Oyo State capital, for allegedly killing a woman.

A source said the deceased was hacked to death with multiple cuts to her head, neck and hands.

She was said to have died on the way to the hospital.

Serifat Olasunbo was suspected to have been killed by a bricklayer who came to carry out a repair on the building. The murder suspect is said to be at large.

Her remains were deposited at the morgue of the State Hospital, Adeoyo.

Police spokesperson Mrs Olabisi Clet-Ilobanafor confirmed the incident, saying the police were on the trail of the prime suspect.

The Commissioner of Police has ordered that the suspects be moved to the State Criminal Investigation Department.
