Ibadan mourns over tragic death of Lekan Abass,wife

👤 Posted by: KAYODE ALFRED 📁 in Celebrity 🕒 3 days ago

The **city of Ibadan** was thrown into mourning with the sudden death of its illustrious son and daughter, **Otunba Lekan Abass** and his wife, Folake, in quick succession. **Ten days** after the Ibadan-based socialite gave up the ghost as a result of cardiac arrest, his wife, who had been in coma for weeks, also died.

**Otunba Abass's death was said to have occurred after a call he received from his sister-in-law telling him that Folake's health had seriously deteriorated. As he drove to the hospital in company with some friends, Otunba Abass reportedly developed partial stroke. His condition deteriorated so rapidly that he lost control of the car he was driving and it crashed into a wall. The first aid assistance his friends gave was futile as he breathed his last a few metres from the closest hospital.**

The tragic incident was compounded by the eventual death of his wife who was said to have fallen into coma after some drugs were administered on her to manage her deep vein thrombosis (blood clot). Folake died penultimate Friday after two weeks in coma.
