

Police kills two suspected kidnappers

Men of the Special Anti-robbery squad of the Edo State Police Command have killed two suspected kidnappers in a shoot-out.

The suspected kidnappers were shot along Benin-Auchi bypass and they died while being taken to the hospital.

A statement by the state police spokesman, DSP Noble Uwoh, said the police team who were on a routine patrol intercepted the gang.

Uwoh said the gang was responsible for the series of criminal activities recorded along the bypass. He urged owners of clinic and hospitals to report anyone found with bullet wounds and assured that the command would keep the state safe during the Yuletide celebration.
