

11 die in Edo road accident

Eleven persons were confirmed dead last night in a road accident at Ahor village on the Benin by-pass.

The accident was said to have involved a commercial bus and a trailer.

It was learnt that the commercial bus had a head-on with the trailer after it made a u-turn to avoid running into a blockade set up by robbers.

Edo State Sector Commander of the Federal Road Safety Corps (FRSC), Oluwasusi Faliloli, confirmed the accident.

He said the bodies of the victims had been deposited at a mortuary.

But he did not give the casualty figure.
