Thunderbolt kills woman in Ondo

👤 Posted by: Damisi Ojo 📁 in News ⌚ 12 hours ago

Irun-akoko, a sleepy town in Ondo State was in shock, following the death of a 35- year-old woman, simply identified as Bisi Ibidapo.

She was reportedly killed by thunderbolt.

Eyewitnesses said she was on her farm with an unidentified woman, when the thunderbolt struck. The victim was burnt beyond recognition; her companion was, however, unhurt.

The development was said to have thrown the community into mourning, as her body could not be buried without recourse to Sango, the god of thunder.

The regent of Irun-Akoko, Princess Bola Adeusi, could not be reached for comments.
