Posted By: Adekunle Jimoh on: December 21, 2015 In: News No Comments

A train yesterday killed two drivers in Ilorin, the Kwara State capital.

The deceased were on queue near a filling station.

The incident reportedly occurred at a rail line near Sango.

It was learnt that the train crushed the two drivers as they were attempting to run out of a taxi parked on the rail line.

An eyewitness said the drivers were crushed inside the cab, while people at the filling station watched helplessly.

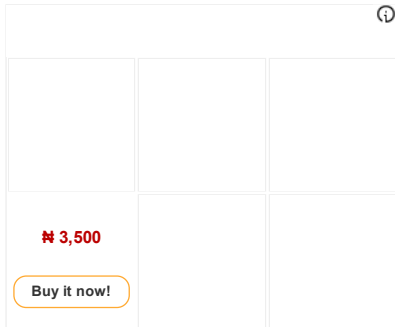

Police spokesman Ajayi Okasanmi did not confirm the incident, saying he had not been briefed.
