A man (name withheld) died yesterday following an accident that involved an *Okada* marked BDG831QB and a Sports Utility Vehicle (SUV) at Shogunle near Oshodi area of Lagos.

The *Okada* rider and another passenger Sodik Bello sustained serious injuries.

Eye witnesses blamed the *Okada* rider for the accident that occurred around 5pm.

*The Nation* learnt that both the deceased and Bello were on the motorcycle which rode against traffic in a bid to avoid the traffic snarl along the Agege Motor Road.

"He was on the pavement of the one-way trying to cross to the other side of the road when an SUV heading for Oshodi from Ikeja knocked them down. Three of them sustained serious injuries but the man was at the point of death. They were rushed to the Lagos State University Teaching Hospital (LASUTH). We learnt he later died and his remains were deposited at LASUTH mortuary," an eyewitness said.

He said the driver of the SUV did not leave the scene of the accident because it was not his fault. Before the bike crossed, *The Nation* learnt that two other bikes crossed and it was the third one that was hit.

Bello, who had broken bones and head injury, is receiving treatment at LASUTH.

The *Okada* rider, whose right leg was badly damaged, was transferred to the National Orthopaedic Hospital, Igbobi, Lagos.
