The victims are said to be 8-year-old twins but their elder brother who survived the accident, was critically injured.

An eyewitness who spoke in confidence with reporters said the remains of the pupils were evacuated to the Neuro-Psychiatric Hospital, Aro, Abekuta, while their brother was also receiving treatment at the same hospital.

He said: “We heard a sound and we quickly rushed down to the scene only to realise that a vehicle had knocked down some pupils in school uniform.
