The damaged truck...yesterday

A truck driver died yesterday morning when an over speeding trailer swerved to the other side of the road and collided with the truck coming from the opposite direction. The accident also involved a Toyota Camry car.

It was learnt that the accident occurred around 7am at Onipanu on Lagos Ikorodu Road. The accident caused a traffic snarl along the ever-busy road.

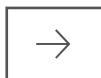

The trailer was said to have crushed the container-laden truck, killing the driver on the spot.

The trailer, which was also damaged, was removed by officials of the Lagos State Traffic Management Authority (LASTMA).
