Two brothers drown in river

Posted By: Precious Igbonwelundu on: October 03, 2016 In: City Beats No Comments

Two siblings who were declared missing at Ikorodu, a Lagos district, have been found dead.

Godspower Ebubenwachukwu, 13, and Marvellous, 11, were on Friday reported missing at the Ipakodo Police Division.

They were said to have gone to school the previous day but never returned home.

It was gathered that the division radioed other divisions in Ikorodu and the command headquarters about the missing boys.

On Saturday morning, residents found the brothers' bodies floating on the river dead.

The Nation gathered that the boys might have drowned on their way from school on Thursday. They were said to have stopped by the river to bath.

A source said there was the possibility that one of them drowned while trying to save the other.

Police spokesperson Dolapo Badmos, a Superintendent (SP), said their bodies have been deposited at the morgue.

She said the police have begun investigation.
