Troops yesterday killed a suicide bomber, who attempted to penetrate a transit camp of Internally Displaced Persons (IDPs) along Muna Garage in Maiduguri, the Borno capital.

It was learnt that security operatives suspected the strange behaviour of the suicide bomber and accosted him.

The attacker was eventually gunned down in his attempt to detonate the explosives strapped around him.

Confirming the report, North-East's spokesman for the National Emergency Management Agency (NEMA) Mr. Ibrahim Abdulkadir, stated that the mutilated body of the suicide bomber had been evacuated.
