Suspected cultists have allegedly killed a 24-year-old man, Peter Sunday (aka Marvin), in Ondo town.

He was said to have just completed the National Youth Service Corps (NYSC) in Edo State.

An eyewitness said the victim was shot dead around 8p.m. on Monday at Oke-segun by gunmen.

The incident, which caused confusion, was said to be a reprisal.

Policemen from the Anti-crime Section of Yaba Division reportedly took the body to a mortuary.

The Divisional Police Officer (DPO), Mrs. Regina Mogbojuri, was not around, but a senior police officer confirmed the incident. He said 14 persons had been arrested, adding that a report was sent to the police command in Akure.
