Corpses along Lagos-Ibadan expressway

SIR: I want to bring to the attention of the authorities the rampant sightings of corpses along Lagos-Ibadan expressway, in particular around the Kara Bridge. The bodies do not appear to be accident victims, and are not picked up but left for extended periods to decompose in full glare of all passers-by.

Sometime in June, the body of a man was left on the bridge in a sitting position, and remained there in the sun and rain for up to a week before it was removed. I am calling on the security and emergency response authorities of Lagos and Ogun State (and other relevant authorities) to bring an end to this unsightly situation. Let there be security personnel patrolling the bridge to deter all murderous activities, and emergency response for prompt retrieval of the bodies of these Nigerians, so they do not suffer indignity even in death.
