OPERATIVES of the Federal Special Anti – Robbery Squad (FSARS) have gunned down a suspected kidnapper during a search for members of a kidnapping gang at a forest in Ilaro.

One of the gang's victim, Sanni Dan Nasarawa, who escaped from their gang's den after he was kept there for one week in the forest, reported his abduction to the Police in Abeokuta, following which FSARS stormed the forest and shot dead a member of the gang while seven others escaped with bullet wounds.

It was learnt that Sanni Nasarawa escaped from the forest when the rope used to tie him snapped in the night while his abductors were fast asleep.

An AK47 riffle loaded with 15 rounds of ammunition was recovered at the gang's den

In a statement, the Police spokesman in the state, Abimbola Oyeyemi, said the suspected kidnapper was shot dead on Friday morning on discovering their hide out after the FSARS combed the forest all through Thursday night.

He said the dead suspect was a member of a kidnap syndicate terrorizing Ilaro and its environs.

“He was a member of kidnapping syndicate when in the early hour of Friday February 2, 2018 he was shot dead by men of the Federal Special Anti-Robbery Squad led by Uba Adam.

“The gang have earlier kidnapped one Sanni Dan Nasarawa, took him to a thick forest where they tied him down for seven days waiting for his people to pay them ransom.

“Luck however smiled on him when the rope they used to tie him got loose while his abductors were fast asleep. He subsequently escaped and ran to FSARS office in Abeokuta where he lodged complain.

“Upon his report, the officer –in charge of FSARS quickly mobilized his men and followed the victim to the forest. The team combed the forest from 6 pm of 1st February up till about 4:00am of 2nd February before they came across the gang who engaged them in serious gun battle which lasted for almost an hour.

“At the end of the encounter, one of the suspects was gunned down while others numbering about seven escaped with various degree of gunshot injuries.

Oyeyemi appealed to the public, especially hospitals and traditional healers, to report anybody they see with gunshot injury in their vicinity.
