A four- year-old girl was killed and several others wounded when a truck carrying bags of oranges had a brake failure and rammed into vehicles and motorcycles at a traffic light in Lafia town, Nasarawa state.

The incident, which occurred around 3:32pm yesterday, at the Lafia Township stadium junction would have been avoided if the truck driver was not over speeding, eyewitnesses say.

An eyewitness, who spoke with our correspondent, lamented the truck was approaching the traffic light at a very high speed before ramming into other automobiles awaiting for the green light to move.

Eight motorcyclists, private vehicles and a passenger bus were involved in the accident where the four -year-old died on the spot of the incident.

Officials of the Federal Road Safety Commission (FRSC) stationed at the junction to check the excesses of motorists immediately evacuated the injured to Dalhatu Araf Specialist Hospital in Lafia.
